

3. Opening leads vs notrump - Answers

♣3 (4th highest: keep leading clubs every time you get in)

♥7 or ♣7 (top of xxx)

♠4 (4th highest; spades are a better choice than diamonds, because dummy did not use Stayman, so probably has 3 or less spades)

♥3 (4th highest from a 5-card suit)

♦10 (against a slam, wait for declarer to try finessing hearts or spades into your hand)

♦J (this is a safe lead. South has shown great strength - don't lead away from your kings!)
